It appears that apparent forgery has been committed in concealing the fact that another bail application has also been filed.

By order dated3.7.2008, a report regarding

stage of the case was called for which has been received. From the report it appears that the trial (Sessions Trial No. 555 of 2006) is at the verge of disposal because out of nineteen chargesheet witnesses, eighteen including informant, doctor and I.O. have been examined. A formal witness, Circle Officer who had conducted the test identification parade of the recovered articles, is to be examined.

Considering the stage of the trial and taking into consideration all the facts and circumstances of the case, both the above applications are dismissed.
